Its Addressed: Nestled within the catchment zones of Maramba Primary School and Fountain Gate Secondary College, this immaculate acreage-style home exudes sophistication and tranquility. Positioned on an expansive block, it enjoys a peaceful location on the fringes of open space, close to parklands and sporting fields. Enjoying a wide frontage, the home showcases a fully rendered front facade and a meticulously landscaped yard. The double garage has been converted into additional living space and is filled with natural light. A triple lock-up garage is adjoined by an expansive carriage-way-style circular driveway. The manicured lawns, tall trees and large muntin windows contribute to the property's picturesque charm, with a welcoming entryway framed by neat hedging. The living space features ducted heating, evaporative cooling, high ceilings and luxurious timber-look floating floorboards. The spacious open-plan design is finished with modern LED downlights, roller blinds and a stunning wood fireplace with a stacker stone surround in the main family zone. A cubby house and swing set for the kids, along with a full-sized LED-lit newly-resurfaced synthetic grass tennis court plus basketball zone create a place to play and make memories. The exceptional entertainers' deck, complete with an illuminated jet spa, provides sweeping views across the tennis court. The kitchen is a masterpiece of opulence, boasting 80mm marble-look stone countertops with waterfall feature edging, matching stone splash-backs and elegant pendant lighting over the breakfast island. Gloss white soft-close handleless cabinetry, an undermount sink, gooseneck mixer, stainless steel dishwasher, 900mm gas burner cooktop and electric oven, as well as a sizeable butler's pantry, complete this haven. The home offers four well-sized bedrooms with ample built-in robe storage, and the fourth bedroom serves as a versatile multipurpose space. The master suite vaunts a walk-in robe and ensuite featuring an oversized shower. The bathrooms are highly appointed with high wall tiles, semi-frameless showers, mixer tapware, while the main bathroom adds a deluxe spa bath and double vanity unit. A separate powder room for guests and a spacious laundry with a stone prep bench add to the home's functionality. Contact us today, as this is a must-inspect!
