Located at the top of a hill is this private and spacious property with beautiful mountain views .Large open plan living and I mean large, with a large kitchen gas cooktop, pantry, dishwasher and large double sized fridge cavity with water plumbed. Four bedrooms with robes and study or 5 bedrooms you choose. Two bathrooms and huge laundry. There is a cellar and two separate double garages perfect for all the man toys. Tiled and air-conditioned throughout all on a 4500 Square meter block. The large outdoor entertainment area looks out onto the Pool which also has a separate toilet and outside shower. The views are just beautiful. This home has so much to offer and lots of potential to make it your own.Currently tenanted.Email to view !!
