This exquisite property is a rare gem, step into a timeless masterpiece inspired by the classic 'Gone with The Wind' mansion. This elegant estate offers a perfect blend of historic charm and modern luxury, all set against the picturesque backdrop of the Lake Tyers Estuary. With its grand entrance leading to an elegant staircase and the soaring ceilings creating a sense of expansiveness plus ornate cornices and ceiling roses, this home is something special. On the ground floor there are two bedrooms and a bathroom, a light filled grand dining room with open fire, spacious lounge and large kitchen. On the second level there is a sweeping landing leading to three further bedrooms serviced by another bathroom. The master suite with ensuite is the jewel in the crown with water views from every window, a walk-in robe fit for a queen and a balcony with views to take your breath away. Beautiful double-hung windows. Solar panels for sustainable living, double garage for secure parking. Water frontage for providing serene views, on just over 7 hectares of privacy. Don't miss your opportunity to own this rare piece of Real Estate. Call our office today to secure your private inspection.
