This beautifully restored family sized home in Nelson is situated on approximately 3 acres of arable land which has a lovely outlook over acreage properties. With multiple open plan living spaces to showcase two fire places and beautiful new hybrid timber floors, there is definitely space for the whole family! The timber kitchen has loads of storage including a walk-in pantry and electric appliances. The home features 4 double sized bedrooms all with ceiling fans, walk-in robe and ensuite to main, large family bathroom with separate toilet, internal laundry, plus multiple storage and linen cupboards. Reverse cycle air conditioning is featured in multiple rooms. Careful consideration has been taken to freshen the home which features brand new paint throughout, new hybrid timber floors, new carpet to the bedrooms as well as updated bathroom fixtures and fittings. Externally the home features an Inground salt-chlorinated swimming pool complete with slide, an oversized lockable garden shed and carport. Pets strictly by negotiation. This property has tank water and septic tank. VIEW A VIDEO WALK THROUGH OF THIS PROPERTY HERE -
