Located just outside the township of Nanango, this incomplete timber home is looking for its next owner to finish off the vision that has been started. Positioned at the rear of the uncleared 5 acre block this home includes 2 bedrooms, 1 bathroom with partial completion of all. Offering a great outlook over the tree tops and peaceful surrounds. The vaulted ceilings and wood panel finish shows the end goal and what could be possible. Electrical work has all been checked recently by a qualified electrician and water provided by a 5000 gal tank. Council approval was submitted but completion was not possible by the owner. Come look for yourself if you are in the market for a renovator!
