Auction - Inspect by Appointment Only

This prime development site is one of the last remaining available sites in this very tightly held precinct. 6,829m² of R2 Zoned - Low Density Residential. Located opposite a very large commercial hub which includes Bunnings and Costco along with many other major retailers. The adjoining properties have all been developed and have made provisions for this final remaining piece of the puzzle. Auction to be held on site 10th August @ 10.00am. Vendor reserves the right to sell prior to Auction.
