Guide \$1,699,000

The vendors of this property want it sold and sold now and have recently dropped the price by half a million dollars which is way under replacement value. 55 Reserve Road, Freemans Reach is a fully arable, flood free, 2.59 acre property which offers a well presented 3 bedroom home with formal lounge, modern kitchen and bathroom, high ceilings, dining area, air conditioning, and a fantastic covered alfresco area. This great rural property is currently set up for horses with 4 post 'n' rail paddocks, 3 hardwood stables, a 60 x 20m all weather arena, town water, landscaped gardens, and several sheds. The property could be used for many other purposes however. This is your opportunity to take advantage of very motivated vendors and purchase your dream rural property way below replacement value. Call Craig now for more information or an inspection today.
