Exquisite Luxury Resort-Like Lowset on 1.5 acres!

Welcome to your dream home! This sprawling, oversized luxury lowset residence, constructed by the award-winning Antech Constructions, is near new and comes with a builder's warranty. This high-end masterpiece was a finalist in the prestigious HIA awards.

From the moment you enter through the automatic gated entry, you'll be captivated by the elegance and grandeur of this unique property. A resort-style pool with mood lighting that hugs the expansive outdoor alfresco area, providing a sensational outlook from nearly every room in the home, thanks to the extensive use of glass in the construction.

This near 60sq lowset boasts impressive high ceilings and features a gourmet kitchen with a butler's pantry, and an outdoor kitchenette perfect for entertaining. The full cinema experience awaits in the media room, complete with surround sound, making family movie nights unforgettable.

The kids/guest wing offers bedrooms that flow out onto a teenage retreat, while the luxury master suite is a sanctuary with an elegant designer ensuite. Enjoy the built-in cabinetry in the walk-in wardrobe and a floor-to-ceiling tiled ensuite with dual vanities and a soaking tub that overlooks the private green space.

The home also features an eye-catching feature stone wall fireplace, 72 solar panels on the roof, tri steel shed and positioned in a quiet cul-de-sac.

This is your opportunity to own a one-of-a-kind luxury residence.
