## **Coastal Views and relaxed living!**

Nestled on a 1-acre parcel of coastal paradise, 20 Panorama Dr Seaspray offers a serene and luxurious escape.

This captivating 3-bedroom, 2 bathroom residence showcases the epitome of coastal living, inviting you to embrace the beauty of the popular 90 mile beach and country side.

This charming home boasts a spacious interior allowing the natural light to flood in through large windows that frame picturesque views of the amazing landscape. The heart of the home, a well-appointed kitchen with modern appliances and a central island, is perfect for both culinary creations and entertaining.

The bedrooms are generously sized, offering comfort and tranquility. The upstairs retreat with its private bathroom and viewing room, provides a peaceful retreat to unwind after a day of beachcombing or gardening adventures.

Outdoors the property has a symphony of native flora and fauna, with plenty of space that offers a canvas for your imagination. The expansive grounds feature a hot house, green house, covered fruit tree strip, vegie patch a large, powered shed and more.

Although not completely 'off grid' this home boasts x2 - 22,500ltr water tanks and a home solar system with 19 panels.

An alfresco dining area and large deck is the perfect place to unwind while taking in the mesmerizing sunset views.

This is your opportunity to own your own piece of coastal heaven, while enjoying the privacy and space that a one acre property provides.
