Versatile Shed in Central Location

You don't see big, spacious sheds like this hitting the market every week. Presented with good height clearance, commercial zoning, parts storage area and a built in toilet & shower. There is 3 x phase power and a fence around the block that can be secured if need be.

The shed occupies the Byrne Street facing 1,012sqm block, and there is a full, vacant lot on the north side of the shed. You can use both blocks for work, or you could build a house on the back block for yourself or an investment.

You really need to stand in this shed to appreciate it's versatility! Call today& talk details - JANESEA 0429 855 734
