Expressions of Interest

Phone Enquiry ID: 226963 Lake Frontage property for sale comprising of 33.3ha (approx. 80 acres) of pristine forested rural land at Arthurs Lake, Central Highland Tasmania with approximately 1.2km of absolute lake frontage. The Central Highlands is a region in Tasmania. It is also known as The Lake Country of Tasmania. Arthurs Lake is a man-made reservoir located in the Central Highlands region of Tasmania. It is one of Tasmania's most popular trout fisheries. Arthurs is known for its good catch rate of wild brown trout. Among some of the wildlife we have observed on the property are kangaroos, wallabies, wombats, deer and echidnas. Imagine being able to fish for brown trout from the shores of your own property and to hike around 33.3ha and see wildlife in your backyard. With 33.3ha of land you shall be spoiled for choices as to where to build your dream home, holiday shacks and/or set up an area for permaculture (all of course subject to council approval). We look forward to receiving Expressions of Interest. Video Link to land and surrounding area: <https://youtu.be/TIU3zujl0xE>
