An architectural masterpiece created by Bluestar Property Group - one of Melbourne's most recognised developers, this brand new residence is the pinnacle of exclusive, world-class living. Neighbouring the exclusive Deepdene pocket with the King St Chain reserve as an extension to the backyard, you will be thrilled by the extraordinary convenience of being just around the corner from the Deepdene Village and just metres from the 109 tram to elite private schools. Beyond the spectacular facade that is dominated by soaring glazing with every room drenched in northern light, the interiors are a harmony of abundant natural light, a dark colour palette, towering ceilings, washed oak flooring and swathes of marble. A show-stopping entertainer, host spectacular parties in the vast open-plan dining and family room. With a gas log fire at one end, the state-of-the-art kitchen is a chef's dream, equipped with top of the range Miele induction cooktop, steam oven and pyrolytic oven as well as a second kitchen with Miele gas cooking, oven and dishwasher. With an impressive indoor/outdoor transition, spend time with friends under the alfresco's auto-louvered roof or soak up the sunshine in the plunge pool. Boasting five bedrooms and five bathrooms, the master suite is a glamorous oasis that flaunts an incredible His & Hers luxe dressing room and a huge dual-vanity ensuite with a free-standing tub. Replete with luxurious appointments throughout, appreciate the integrated speaker system, multi-zone ducted heating/air-conditioning, control 4 Smart Home system, solar power with back up battery, security alarm, CCTV and a three-car auto garage with internal access. Walking distance to Deepdene Primary School, Our Lady of Good Counsel School, Deepdene cafes and the 109 tram to Balwyn Village, Kew's private schools and the city. Stroll to Camberwell Grammar and Girls' Grammar, Genazzano FCJ College and the tram to Camberwell Junction. Want to build this home on your land? Call Adam on 0408 376 533
