Parklands Village Bannockburn is proud to release the final stage of its development. Presenting 24 luxurious two-storey architecturally-designed townhouses located between Brisbane and Gold Coast, this is a perfect property for those wanting to live away from the busy business centre and who don't want the long commutes. Featuring an open-plan living design with bright and beautiful interiors and a low-maintenance courtyard. Beautifully appointed 3 bedrooms, 2.5 bath and single car garage with split system air conditioning, generous sized kitchen with plenty of cupboard space all with soft close drawers and cupboards in kitchen and bathrooms. The master bedroom has its own walk in wardrobe and ensuite.

It's perfectly located for commuters being only a couple of minutes drive to Beenleigh CBD, 30 minutes driving to Brisbane CBD and 35 minutes to Gold Coast. Located within walking distance to Windaroo Valley State High School, Rivermount College, Windaroo Shopping Village and Windaroo Lakes Golf. The new Bannockburn Shopping Centre is at the corner of Parklands Village complex with Woolworths being a short two minute walk. \*Images for display purposes\*
