If you seek some peace in your life then this property may be for you. Only 5 minutes from Beaufort but still quite isolated this 20 acres will be sure to impress. The dwelling has two bedrooms with its own balcony upstairs and open plan living down stairs, the property is off grid with a new solar set up and plenty of tank water, the instant gas hot water is supplied by a very large gas tank. The property has had all new fencing and gates with three access points into the property. There is a shed or garage for storage and a good size dam for livestock if required. This is a very attractive block with a number of paddocks for animals with still plenty of trees for shade, firewood and wild life. For more information please call.
