From \$979,900 3 Bedroom

This resort-style building offers all amenities, including a pool, terrace-level community areas, and spacious apartments with ample balconies. All are nestled in one of the fastest-growing areas in Queensland. Firepits and sunset terraces combine to provide owners and guests with spectacular views of the Sunshine Coast. The buildings offer a variety of choices from 2-bedroom to 4-bedroom apartments. Finished with upmarket finishes and if this does not satisfy, the owners have a choice in selecting the most wonderful upgrade options, which can also offer electric charging stations for your car.
