Hot spot alert! This is one of very few opportunities where you can buy a property & develop back to back townhouses with its own street frontage! Alternatively, don't miss the opportunity of a lifetime to renovate a strong home in a prime location only minutes from the Eastern Freeway, Macedon Square, Westfield Shopping town, and the Koonung Creek Trail! Whether you choose to reinvigorate the original charm or reinvent the block with something new (STCA), this property is ready for new owners to unearth its full potential. The existing home features a formal living area and dining room with tiles, a timber kitchen boasting ample storage and a cozy feel. The accommodation features three spacious carpeted bedrooms, all with access to a central and fully tiled bathroom, with shower and bathtub. Extras include an extension at the back of the house with its own bedrooms and living spaces. For developers who see something different for this property's future, the sizeable 750sqm approx. is a world of opportunities! From all of us at Hudson Bond, we wish you every success in your search for your home. If you would like more detail on this home or to chat about one of the many other properties, we have available please call or email us today.
