Welcome to "O'Reillys", Moscrops Bullioh, a stunning grazing property situated in the foothills of the Upper Murray Region. With a land area of approx 88 ha (217 acres), this property offers ample grazing opportunities in high rainfall area.

- Permanent water from Dry Forest Creek running through the property
- Fertile productive country that has been well maintained and cared for
- Functional set of steel cattle yards
- Fertiliser and weed management history
- Aside from its vast grazing potential, this property boasts a range of other features that make it truly unique. Located on a well-maintained road, this property offers easy access to nearby towns and amenities while still providing a sense of seclusion and privacy. Don't miss out on this incredible opportunity to own a piece of land that offers endless possibilities. Contact us today to arrange a viewing.
