Upon entering your gaze is immediately drawn to the incredible panorama that extends from the 2 generous of 3 balconies. With striking uninterrupted views, cast your eye out from the horizon to the north, a picturesque with busy waterways of various boats including yachts, catamarans, and an absolutely stunning variety of visiting cruise ships from time to time and onto, the uninterrupted view continues to the south, the majestic tableland mountains, and in front, the cityscape that comes alive with its beautiful show of lights at night.
