"Experience waterfront living at its finest at 178 McCarrs Creek Road, Church Point! This stunning property offers three bedrooms, three bathrooms, and a split-level design with a deck boasting panoramic views of McCarrs Creek. Fully furnished suitable for six people, it features vaulted ceilings, skylights, and a wood fireplace downstairs, ensuring cozy comfort year-round. Solar panels help reduce utility charges, while fans in all rooms and air conditioning in the main bedroom upstairs provide added convenience. Outside, enjoy decks on two sides with large outdoor settings, a waterfront cabana, outdoor spa and a dock perfect for fishing or launching kayaks and paddleboards. Plus, with a large shared grassed lawn by the water and a firepit for marshmallow toasting, there's plenty of space to relax and unwind. Don't miss the opportunity to lease this tranquil retreat, only a 20-minute paddle from waterfront restaurants at Church Point kiosk or The Pasadena restaurant. Contact the agent for an inspection appointment today! 1 bedroom cottage not included - no access to dock for boat storage(Disclaimer: All information provided is deemed reliable but not guaranteed; interested parties should conduct their own enquiries.)"
