Discover your own private paradise in this breathtaking hinterland landscape, just minutes from Byron Bay. This 45.18-hectare (111.6-acre) property offers panoramic rural and coastal views. A spacious four-bedroom family home surrounded by mature trees and tropical gardens is the centrepiece. The main residence boasts an open-plan kitchen and living area, timber floors, a large island bench, and high-quality appliances. Additional living spaces, a master bedroom with ensuite, three additional bedrooms, and ducted air conditioning complete the interior. Outside, enjoy the heated pool with swim jets and its pool house with a living room, bathroom, and a covered deck overlooking the coastline. With three road access points, the land is a mix of open grazing with pockets of rainforest, that you can explore with two all-terrain vehicles. Whether for agriculture, leisure, or tourism, the potential is immense. Currently running cattle, the property features three fully fenced paddocks and stockyards, along with two dams and running creek. Security features of the property include a double-car garage. There is also ample storage, and various rainwater tanks. Embrace a life of natural beauty and endless possibilities in this exceptional hinterland sanctuary.
