This absolutely stunning, Hamptons inspired home, is positioned within easy walking distance to the Cygnet township and enjoys gorgeous rural views along with all day sun. The home has been meticulously maintained since its 2021 construction and still presents as new. The open plan kitchen, living and dining, all share the slightly sunken rear space and provide access to the generously proportioned deck which showcase tranquil views over the township and the hillsides beyond it. Every detail here is impressive – from the gas fireplace in its distressed brick surround to the opulent kitchen with stone benchtops, quality appliances and a generous walk in pantry. Off the hall, you'll find two spacious guest rooms, both with built in robes. The master suite offers a walk-in wardrobe, spacious ensuite, and gorgeous views over the front gardens. A second living room has also been incorporated here, which provides a separate media room or library and could be used as a fourth bedroom if needed. The double garage can be accessed internally, via the laundry and mudroom, which is just as beautiful as the rest of the house, further confirming the quality of the property. The gardens and lawns have been completely fenced and are on their way to being well established. Standard roses and cottage varieties line the front of the home, which sits perfectly behind its white picket fence. The impressive home is completely double glazed, well insulated, and offers temperature-controlled heating and cooling. It's within walking distance of schools and shops and has all town services and conveniences. Phone or email for further information and to schedule your appointment to view.
