This one is quite special - with generous proportions and finished in the most divine way and on one of the suburbs most sought after streets near the golf course, this will be hard to beat. Showcasing soaring high ceilings, high-quality finishes throughout and abundance of glass that allows natural light to flood in - no expense was spared in the build of this thoughtfully designed home. Nestled in a rear position promising peace and privacy, and a short drive from everything you could ever need, you can also tick off the lifestyle box. If you've been waiting for something special, then wait no longer...
