This homely mountain cottage oozes personality, comfortable living, truly flexible living spaces and a convenient location with easy access to transport corridors. On the large downstairs level of the home you will find a floorplan offering either 4 bedrooms and a study/nursery, or 5 bedrooms with the main bedroom opening onto the rear yard taking full advantage of the afternoon sun. Features include high ceilings, Jetmaster fireplace, formal dining room and yet a fantastically large kitchen with storage galore, breakfast island bench with enough room for another decent sized dining table too. Upstairs, currently utilised as a teenage retreat, could be used as another living space, playroom, home office or parents retreat/bedroom. This property is also fully fenced, has multiple car parking spaces, leafy garden and yard, covered entertaining space at rear, workshop, superb flat rear yard ideal for game playing or just relaxing. Minutes walk to trains, buses, shops, parks and local shops. This home will suit many needs and definitely tick the boxes.
