Conveniently located 3 bedroom vinyl clad home offers a fresh and clean feeling having been newly painted throughout and new plush carpet in the bedrooms and the living room. It has also had the benefit of new, practical and easily kept vinyl flooring in the Kitchen, Laundry and back area. It appeals to a country cottage charm on the inside with warm earthy tones in the kitchen and a signature classic in the laundry with the original double cement laundry tub being very much a hit with the sentimentally inspired. Outside has also been shown love and respect with well established turf lawn at the front and rear yard - soft underfoot and prickly free! This home also boasts a large, highly versatile and practical Shed/workshop for folks who love to tinker, have a hobby, require extra storage or an ideal man/woman cave in the making. Quality listing that will fill fast!
