Set back and elevated from the beach itself, the home is ideal for family living. \*Unfurnished\*At ground level there is the tiled family room and two large secondary bedrooms, bathroom and laundry combined, and study or work area alcove.The main open plan living area is elevated, and facing the beach with large sliding doors to take in the waterfront outlook. The galley style kitchen has pantry, gas cooking, good bench space and double door fridge cavity.A verandah extends across the front of the home overlooking the yard and beach.A mezzanine second living area would make a great retreat or reading/tv room, with the master bedroom, large secondary bedroom and main bathroom also on this level. Beautiful timber flooring, air conditioned.Total configuration-4 bedrooms, 2 bathroom, three living areas, study alcove, and a great verandah overlooking the Pacific Ocean.A fabulous lifestyle! The beachfront offers plenty of cool breezes throughout most of the year. The block is level and unfenced on the beachfront side creating a feeling of owning to the waters edge. Walk to the tapas bar, coffee shop or beachfront cafe, or head north to the Yorkeys Knob River mouth for some pleasant fishing. Boat ramp close by.
