\$550,000

Situated just eight minutes from Killarney township this seventy eight acre property has sweeping 180 degree views to the north. A two bedroom cottage has kitchen opening to dining and entertaining area. The bathroom and toilet are adjacent to the cottage. There are a number of good house sites also with views of the surrounding country side. The property is well watered by two dams and a bore. The cottage has a 20,000 litre rainwater tank. As well as being fully fenced a small set of cattle yards are adjacent to the all weather road. We estimate that there is about ten acres of virgin scrub in a belt running east to west through the middle of the property. Priced at \$550,000 this property has many attributes you will find attractive.
