This listing has so much going for it. From its massive steel house frame to its 2 bedroom cottage complete with electricity, septic, kitchen, lounge/dining area. There is also a steel framed shed on cement slab and another large workshop/shed. The land has 2 dams plus a bore, is fully fenced, has Telstra mobile service and so many other features. To be honest the best way to appreciate everything this property has to offer is to book an inspection. Situated approx halfway between Tara and Dalby, an inspection will not disappoint.
