\$700,000

The Macnamara precinct within the Ginninderry estate boasts a unique combination of residential, commercial, and recreational amenities. The development is designed to create a sustainable community that highlights the best global practices in nature conservation, urban planning, construction, and long-term livability. It enjoys proximity to existing schools, shops, and community facilities, such as sports clubs, recreation areas, and employment centers. The estate also offers a wide variety of housing options suitable for different budgets and lifestyles. The land area is 350 square meters, with an anticipated settlement date of November 2023.
