This deceptively spacious brick and tile residence on a wide 600m² parcel offers the ultimate low maintenance Newport lifestyle. The block is fully fenced and the back yard can easily be accessed down the side, which provides substantial space for extra cars or a boat. The home internally offers an open, practical design with a clever use of two separate living zones. The family, meals and lounge are all convenient to a centrally located kitchen, complete with pantry, plenty of cabinetry and working bench space all positioned to capture the morning sun. The lounge opens to a full length under roof patio, the perfect place to catch prevailing breezes and north facing winter sun. The bedrooms are well sized offerings and there is also the bonus of an ensuite off the master bedroom. Other features of this fine property include, a huge covered alfresco area, separate laundry, garden shed and water tank with pump. This delightful home is conveniently located to Queens Beach North, coffee shops and restaurants, local schools, and public transport. To inspect - call (07) 3880 4311 (All Hours)
