Nestled in the serene heart of North Haven's exclusive Jacaranda Caravan Park, this exquisite manufactured home offers a splendid retreat for the discerning retiree or down-sizer. Boasting a free-flowing layout, the residence features two generous bedrooms, with the master benefitting from built-in wardrobes and a ceiling fan, promising a restful sanctuary after a day of seaside activities. The roomy bathroom and laundry set up is a particular highlight, offering ample storage solutions and a recently updated vanity, ensuring both functionality and style. With separate dining and lounge areas, the living spaces flow effortlessly, creating an inviting environment for relaxation and entertainment. The park itself is a stone's throw from the picturesque and patrolled North Haven beach, a mere 500 metres away, and even closer to the tranquil Camden Haven River, making it an ideal location for those who appreciate nature's beauty and the outdoors. Notably, the home comes with a coveted double carport, providing ample space for two vehicles or the luxury of bringing along a boat for those nautical adventures. Recently revitalised with updates to flooring and paint throughout, the property exudes contemporary charm without losing its homely warmth.
