Not often you will find a little gem like this. A total of only 5 units in this block all with long term tenants. With a little bit of flair the unit can look like this - all it takes is a bit of imagination. (Photos attached are what the property looked like during a previous tenancy) so it is possible to make it look great. (SORRY but some of the photos would not download the right way up no matter what I did) This 2 bedroom unfurnished unit is in a quiet, great location and is handy to everything shops, train station, bus & Nundah Village cafes. Small functional kitchen with open plan living area, good size bedrooms, screened windows & a front patio. May need a bit of love but worth it. Great size open style garage under and downstairs laundry. Inspection by Appointment Only Phone Toni Licastro 0419 706 085
