Exquisitely renovated – this charming home presents beautifully. Located on a corner block of land (828 m²). Fully brick facing and with two entranceways (perfect for motor home storage, boat, trailer, or entry to the rear yard and garden). The home boasts four bedrooms (master with ensuite), a separate family room, and a gorgeous kitchen dining and lounge area that looks out to the outdoor entertainment area and pool. The main bathroom area has clean lines and a spa-like deep bath for relaxing at the end of a busy day. It also has a shower if time is short. The kitchen is deliciously modern, well appointed, and even if you can't cook - you will want to learn. As well as being an impressive home, this property is positioned in a prime golfing area, and is minutes away from the Gold Coast University, local schools, and shopping, with the M1 access only minutes away. Features include:- A large master bedroom with ensuite, walk-in robe, ceiling fan & aircon- Three other bedrooms with wardrobes and ceiling fans - Family bathroom with huge white bath, shower, and toilet facilities are highlighted with decorative neutral colour floor tiles. - The kitchen is impressive with its double wall oven, and a breakfast bar that overlooks the sparkling pool. It also features a ceramic cooktop, two large pantries, and an area for a large double fridge.- The lounge area which is combined with the kitchen and dining area offers relaxed living, ceiling fan, and air conditioning. - A separate family room is a bonus for a large family with space for everyone. - Freshly painted, new high-quality stone-based flooring, and accents throughout the house - A double lockup garage, new lighting throughout the house, resurfaced outdoor entertainment area, and a delightful organic garden.- 2 water tanks – one 8000 ltr and 3000 ltr diverts to pool.- Solar 6.5 Kw system, and a recently restored roof complete the picture.
