Streetside, inside and lakeside, the beauty, privacy, and luxury of this home abounds in attraction factor. We take pleasure in showcasing a north facing, architecturally designed, single level pavilion style property, that blends indoor and outdoor living seamlessly throughout. Properties here seldom change Owners (last sale 2019), so right now is your opportunity to secure one of only 10 residences in this gated estate of The Waterview Pavilions. This treelined enclave of exquisite waterfront homes overlooks the 18th hole of the Glades Golf Course, a sanctuary and safe retreat in the midst of the very popular, convenient, commercially active precincts of the Robina Town Centre and CBD and the Mudgeeraba communities. Drive home to here, press the gate remote, drive into the securest of garages, enter your very own private space, leave the thrive behind, and unwind wherever you choose - living and dining, north facing deck, media room, master suite or on the arboured courtyard where you can open the vergola to the stars.If you are a golfer, it is a 5-minute drive in your buggy to the pro shop and first tee. If you love to polish your game, it is a 2-minute buggy drive to the Golfing Academy and practice range. If you are not a golfer follow the path down to the boardwalk and amble to the Glades Club House. Golfer or non-golfer you have exclusive use of a gorgeous pool, lounge, barbeque, and gym. When you are too tired to do much else, there is always the option to just sit, look out and enjoy the natural beauty of the landscape.This is resort living at its finest that offers you a sanctuary and quiet lifestyle space. We have so much to show and share. Please call to arrange a private viewing. All inspections are by appointment.
