\$1,015,800 Investors Take Note!

THIS HOME IS TO BE CONSTRUCTED. PHOTOS ARE AN INDICATION ONLY. Investors are you looking for something outside the box? We can assist with securing more premium locations in the Brisbane area with higher growth and potential long term returns. We can also provide a range of options dual key, Free standing and some SMSF properties through our diverse range of builders. Located just 12km from the CBD, this 483sqm lot is ready for us to assist in designing and building your first or next Investment. Located in the popular Coopers Plains State School & Sunnybank State School catchments this is a real lifestyle location. Shops, convenience, and public transport abound! Please contact us for the rental appraisal on this property. Request a detailed information kit for this location with a range of options. Turn-key options start from Single story \$1,015,800 & double story \$1,104,500 with a wide range of build options to consider. Our standard Inclusions ensure you start your journey with a completed home and a realistic expectation of the true costs. Speak to us about a detailed list of inclusions and options. At Building Brokers QLD, we work with you to manage your new project from start to finish. We work for you our client to secure you the best deal on a high-quality home from some of Brisbane's best builders! We will walk you through the process of land acquisition, building budget analysis, choosing the right design to suit, and finalizing your inclusions. All while ensuring we keep you on budget. You won't select a builder until AFTER you see each builder's final prices to your build. This is the BEST way to construct a new investment and has proven time and time again to provide the most successful outcomes for all clients. Call us today to discuss your requirements and schedule a complimentary meeting with one of our new home solution managers. We would love to speak with you!
