If you are looking for a home ready to move into with nothing more to do then this is it. The home has 3 good size bedrooms, all with BIRs ; large lounge, updated kitchen, separate meals area and a quality bathroom. The house is kept warm in the winter with gas heating and there is a split system for those hot summer days. Outside you will find plenty of off street parking with carport, an outdoor under cover entertainment area for all your family gatherings. The gardens have been loved and cared for over the years ready for you to enjoy. You will also find a large shed/garage along with water tanks with pump to keep your new garden lush all year round. The roof has been cleaned, repointed, repainted and sealed, and the gutters have all been replaced. The house also has a 6 KW solar system installed with 18 panels so you will have next to no bills. Call today for your private inspection.
