Ready set go! Yes, it's up the river-end of Albert Street in a quiet little nook, on a corner block that provides perfect access into the backyard for your shed and big toys and/or granny flat or dual occupancy (subject to Council regs). Currently a good old solid home that could do with a bathroom and kitchen upgrade but it is definitely livable right now! Just recently the home has had a freshen up with new internal paint, polished timber floors the home feels fresh and liveable, its just the old bathroom and kitchen that pulls it back. "The stove/oven is pretty new though!"- 674sqm corner block- 2 bedrooms, 1 bathroom- Beautiful hardwood timber floors throughout- Aluminum windows - Old timber garage This is a diamond in the rough, don't look past it – you just don't get opportunities like this often.
