We are excited to bring to your attention an exceptional real estate opportunity in the highly sought-after suburb of St. Georges. The property sits on an expansive allotment spanning 1862 square metres, providing a rare blend of tranquillity, privacy, and outdoor potential. One of the standout features of this property is its exceptional location within the Glenunga International High school, and Linden Park Primary school districts. Families will appreciate the convenience of having access to these renowned educational institutions. There is an existing solid brick 5 bedroom 3 bathroom home on the land. We understand that finding a property that checks all the boxes can be a rare occurrence, and this allotment is truly one of those gems. The potential for creating your dream living space, combined with the unbeatable location, makes this an opportunity not to be missed. If this property aligns with your housing needs and aspirations, we encourage you to express your interest as soon as possible. We anticipate a high level of interest from our discerning clientele, and we want to ensure you have the chance to explore this property first hand.
