Expressions of Interest

Nestled on a generous 14 acre block, this charming cavity brick home has been recently renovated throughout and is ready to be loved by its new owner! Upon driving down the driveway, you're met with picturesque views of the surrounding acreage and stepping inside the residence, its charm, marked by high-quality renovations and unique character, will leave you wanting to call this charming property home! Some of the many features of this property include:- A shared living and dining area featuring a fireplace, ideal for the upcoming cool winter evenings- A newly revamped kitchen boasting a 900mm oven and electric cooktop, double drawer dishwasher, stone benchtops, and ample cupboard space- A freshly renovated bathroom with floor-to-ceiling tiles and a separate toilet- A newly refurbished laundry equipped with stone benchtops and ample storage- A spacious master bedroom with built-in wardrobes, new carpets, and a sleepout with private access outside- Two further spacious bedrooms complete with built-in wardrobes and new carpet- Brand new ceilings throughout, complemented by all-new fans and downlights- The property is equipped with two rainwater tanks: a 10,000-litre and a 25,000-litre tank, with the option to connect to the bore- Additionally, there are two operational dams on the premises- Further, the property also has a 12m x 9m shed which has been partially lined and fit out with utility rooms and has approximately a 6m x 9m carport plus an additional shed which is perfect for the tools, trailer and more. Conveniently positioned just a 10-minute drive from Woodford township and directly on the D'Aguilar Highway, commuting is effortlessly convenient. For further information please call Terry Ward or Jasmyn Burke from Ray White Wamuran today.
