Pass through your private gated entry and wind your way through manicured gardens, lawns, and subtropical rain forest, your skin tingles with anticipation as you round the last corner and sight the grand residence where luxury and nature collide at every turn. This can be your primary residence, a weekend getaway, or a fantastic corporate retreat, and you will continuously be in awe of the home's stunning design and the peace and tranquility that this unique property offers the discerning buyer. Around every corner, you find luxury, expansive entertainment and living areas, stunning beauty, and a lifestyle to be envious of. Keep the property as is or add additional dwellings to further extend the awesome grounds. Only mere minutes to all the necessary amenities, you will enjoy convenience, feel the privacy and unmatched luxury, and enjoy the sounds of nature. Property Features:

- One-of-a-kind two-story luxury residence.
- 4-bedroom (3 with private ensuites) including stately master with high end walk-in wardrobe and ensuite.
