Resort living at Lake Tinaroo is a rare find, and here is your opportunity to purchase this ideally located townhouse overlooking waters of Lake Tinaroo. This two level unit features an open plan living space on the ground floor which incorporates living, dining, an efficiently appointed kitchen with granite benchtops, a laundry and a powder room. Three spacious bedrooms are found upstairs, the master bedroom boasts a balcony with water views and ensuite and there is a second/main bathroom. Sliding doors open out onto the downstairs patio from which you can enjoy the water views once more or the resort pool is just metres from your front door. There is a single bay garage for car accommodation. Currently utilised as an Airbnb, the unit will be sold fully furnished and equipped for holiday letting it's an easy, stress free purchase for the new owner. There is an onsite manager for the resort with full website and promotion for holiday accommodation and events. Body corporate is in place so fees do apply. The Resort is a popular Tablelands destination year round and caters for functions including weddings.
