Looking for the perfect place to build your new home (STCA), then you may want to have a look at this 20 acres before you decide. The block is treed with quite a few clearings. Road access is very good and power runs past the block on the other side of the road. Close to Beaufort with access to schools, supermarket, cafes, petrol, trains and buses. Ballarat 25 mins away and Melbourne under 2hrs, call today for further information.
