Guide \$490,000 - \$540,000

Architecturally designed by Pettit and Sevit, this beautifully renovated three-bedroom home is a must see. Showcasing a seamless blend of mid century style and timeless sophistication, every detail of this split level unit has been carefully considered, from the sleek finishes to the thoughtfully chosen colour palette. Beyond the elegance indoors, step outside into a meticulously established and landscaped private garden perfect for entertaining or simply unwinding in after a long day. What we love about the property:

- Three generous sized bedrooms, all with built in robes
- Large master bedroom with views overlooking Bathurst
- Newly refurbished family bathroom with rain water shower
- Completely landscaped private rear yard with awning
- Double glazed windows
- Cute study nook
- Custom made railing/kitchen and dining with skylight
- Front courtyard with private leafy outlook

Whether you're seeking a peaceful retreat or an astute investor, don't miss out on an opportunity to view this stunningly crafted home.
