You will not find more beautiful and cheap acreages anywhere else in Australia let alone in the majestic Gold Coast Hinterland. Multiple blocks are available. All are approximately 1 acre. They are part of a larger block that has been divided into multiple blocks and are being sold as 99 year leasehold. Some blocks are shady and in the woods. Some are open and in the sun. You also get access to 100 acres of common land which includes dams, swimming holes, picnic areas, walking tracks, rivers, bores, forests, food forests, gardens and land for grazing. The land is part of an eco-resort and off the grid so you will need to install your own solar, water tanks and sewerage system. The land is zoned for temporary use only so perfect for camping, caravanning, or building a demountable/movable tiny home or container home. The land is 7 minutes out of Cunungra which has all your needs met with banks, chemists, pub, restaurants, gyms, ect. Only 25 Minutes to the beautiful Gold Coast Beaches. Your own peace of paradise for when you need a break. The Phone Code for this property is: 82156. Please quote this number when phoning or texting.
