This cute little one bedroom cottage is positioned on a rural setting in Dixons Creek. It boasts electric cooking, heating and cooling and a double carport. Please note that there is a party wall between this property and the neighbouring property therefore with this set up it would suit a Tenant looking for a quiet lifestyle. Due to the proximity of livestock and lack of fencing, this property is not suitable for pets. All grounds on this property are maintained by the landlord and rent includes electricity and water. There is the option of leasing this property fully furnished. Due to the location and unique set up of this property we ask that you apply for the property and shortlisted applicants will be contacted to arrange an inspection.
