Without peer and undeniably one of the finest holdings in Alpine Australia to be offered for Winter 2024. 'Revelstoke' stands as a testament to the exclusive lifestyle, skilfully designed by the highly acclaimed Melbourne-based Mim Design. It effortlessly delivers beautifully considered spaces across three expansive levels within the most exclusive freehold precinct in the Australian High Country. A key attribute of Revelstoke is the chalet's ability to capture the essence and natural beauty of the surrounding landscape and translate that into a sympathetic interior that provides the ultimate platform to experience true adventure at Hotham. With all-season vehicular access to your own private garage, complimented with full internal access to the chalet, arrival and departure in any weather at any time are trouble-free experiences. Alternatively, one can fly privately, directly to Hotham airport, which is only 20 minutes from Revelstoke's front door. Moving through the chalet, usable spaces have been prioritised. Examples of this are the main entry, drying room, fifth bedroom, and study. The mid-level consists of four bedrooms, each with its own unique aspect to Skyline Terrace and Hotham Village. Both village-side bedrooms are fully ensuited and could equally be used as two main bedrooms. The top floor of Revelstoke is a haven of luxury, boasting a spacious living area and a kitchen that can only be described as Hotham's finest. The hand-selected finishes, high-end appliances, and panoramic views from all sides, with Mount Loch as the centrepiece, create a setting that is both breathtaking and inviting. Further attributes of Revelstoke. - EV (fast) charger in garage - Heated driveway - Integrated Leibner fridge and freezer - Ilve 900mm stand-alone oven and cooktop - Stuv-21 fireplace integrated into the stone feature wall - Centralised heat recovery system allowing for fresh air circulation and condensation mitigation - Industry-leading Hydronic heating system which is Wi-Fi enabled - Underfloor heating to bathrooms - Starlink home internet installed - Hand-selected granite benchtops for the kitchen and bathrooms. Revelstoke is being offered fully furnished including all artwork and soft furnishings.
