Andrew De Angelis DeAngelis

Welcome to Brunswick's most amazing apartment

Absolutely one of a kind, this ground-floor apartment (1 of only 10) combines first-class features and a spacious outdoor oasis to deliver a lifestyle of quality and class with the best of Brunswick at your fingertips.

Greeted by bespoke renovations and a profusion of natural light, the home's sublime interior showcases two generous bedrooms (both with built in robes and Murphy beds) complemented by a stylish fully-tiled bathroom. Complete with hand-made timber feature wall, the luminous living/meals area is adjoined by a contemporary stone-bench kitchen with dishwasher and commercial-grade 900mm cooking appliances. Other features include split-system heating/cooling for year-round comfort, along with a European laundry, microcement flooring and laminated Low-E glass all-round. Step outside to discover an expansive courtyard with pergola, built-in BBQ, irrigated gardens and high fences for privacy ideal for relaxing or entertaining plus a handy sideway storage shed and an off-street parking space via the remote-control gated driveway.

Lygon Street cafes, bars and restaurants around the corner, along with trams to hospital/university precincts and the CBD, it's also close to local schools, popular parks and Sydney Road shops.
