Tucked away in an extremely quiet and wellmaintained neighborhood, this is certainly a surprise package.Two large bedrooms service this home and it is much larger than expected. Both have built in cupboards.Full security screens keep the home safe & secure while ceiling fans and air-conditioning keep you at right temperature all year round.There is lock up garaging with automatic entry and access directly into your new home.You have a lovely yard to call your own whilst still being ultra low maintenance, we are also including a water tank to keep the garden tip top all year round.The large enclosed patio is a lovely spot to enjoy a morning coffee all year round and large enough to entertain the family when they visit.Overall this is a generous sized duplex that is ready to move in straight way without any work whatsoever or to make updates to suit your own needs.Also there is no body corporate fees!! Just share the buildings insurance with your neighbor.Don't be mislead this may be one of the last options to buy in an affordable range in this burgeoning suburb, act now!Upcoming Auction, no date set yet, ready to sell today for the right price & conditions!!!
