Antonis Martis

Irresistible Art Deco Personality in Summer Hill

This smartly appointed apartment delivers a great low-maintenance retreat and comes complete with direct level access to a delightful shared garden at the rear. Set on the ground floor of a very well-kept building of four, it brings retained period features and a fashionable lifestyle address to deliver an excellent property that's footsteps to Summer Hill's village scene, with Ashfield Park, local cafés and the train station all within close range.

High ceilings, polished timber floors and many original details

Two generous bedrooms plus an additional sunroom/study

A spacious layout featuring open lounge and dining areas

Well-appointed kitchen plus bathroom with full bathtub

Built in robes in both bedrooms and internal laundry

Direct level access to a large north-facing garden with lawn

Classic Art Deco building that's pet-friendly and well-maintained

Walking distance to a choice of neighbourhood parks and top schools
