Think Outside The Square! This stunning, one bedroom apartment takes complete advantage of the unique layout and space of a former Victorian residence. Situated on the ground floor it features a modern kitchen with stainless steel electric stove, updated bathroom, polished timber floorboards, a front security entrance, vertical blinds throughout, internal laundry and a lock-up garage. Beautiful period features include high patterned ceilings and ornate archways. To top it off, the apartment is on the Enmore border with the local cafe and restaurant districts just a walk away in one direction and lovely Enmore Park in the other. Perfect for those looking for something a bit different!
