Bedrooms: 2

Bathrooms: 1

Parkings: 1

Type: Apartment

Nathan Donnelly

Elevated Apartment Living

Perched on the high side of a favourite Ocean Shores street, this spacious 2 bedroom apartment is ready for its new owner. Perfectly suited to first home buyers or investors alike, the apartment features a smart, easy flow layout, open plan living spaces and generous sized bedrooms. The kitchen offers ample space to create delicious meals with a stunning timber benchtop, gas cooktop and plentiful cupboard space.

Both the main bedroom and the air conditioned living area open onto a covered balcony that spreads across the whole width of the apartment. Picture yourself enjoying an evening beverage out here while you take in the ocean views and the cool coastal breezes...apartment living doesn't get any better!

Look out the windows of the kitchen and second bedroom to see lovely established gardens and a grassed area, perfect for sitting in the sun and relaxing with a book or a morning coffee...there's even room for a veggie patch!

An oversized, extra length garage downstairs provides plenty of room for car accommodation + extra workshop/storage space. This is a rare bonus and a huge benefit for those needing more space than your standard garage provides.

In addition to being 1 of only 4 apartments in the complex, the location is simply amazing. Just minutes from the beautiful white sands of New Brighton beach, the Ocean Shores Shopping and Medical Centres and the Country Club and golf course. Brunswick Heads is 5 minutes away, Byron Bay 15 minutes and both Ballina and Gold Coast Airports just 30 minutes away. You could not be more central!
